#### **675. Mr M S F de Freitas (DA) to ask the Minister of Transport:**

Whether any decision has been reached regarding the future of the e-toll project of the Gauteng Freeway Improvement Project; if not, (a) why not and (b) by what date will a decision be reached; if so, what are the relevant details? NW749E

#### **REPLY**

No, there is no new decision on the future of the e-toll project. The project continues to operate and SANRAL is engaged in various processes to improve the collection of revenues due for use of the GFIP road network.

- (a) A decision on the future of the e-toll project will be made by Cabinet. I as the new Minister will receive a briefing from SANRAL and the DOT on work conducted in the past 6 months in order to determine the next step.

I will seek guidance from Cabinet and various stakeholders in this regard.

- (b) Once necessary engagement transpire, the date for the decision will then be determined.
