Interest would be charged as per payments and dates of disbursement made, till date of potential re-payment back to the Fund.

I hope you find the above in order.

Good afternoon Solly

As per our telephonic discussion, will you please advise as to the following:

1. Can you confirm for me the amounts that have been paid to Mr Molefe to date and provide the dates of payment as well;
2. What would be the process required to reverse the transaction in respect of the transaction between Eskom and the EPPF and also any disbursements/payments made to Mr Molefe thereon?

You may be aware that Minister Brown has provided has with a limited time to resolve this matter and your urgent attention hereto would be appreciated. Should you require any further information, please do not hesitate to contact me.

Yours sincerely
