[2023/11/16, 12:23:06] Wayne Duvenage: Hi Reginald. If you don't mind, I'd like to have an off the record private conversation with you. This strained relationship between OUTA and Sanral need not exist and through better engagement, we can work together to address perceptions and avenues to tackle the concerns we have. But to start, I'd like to set the scene over a confidential, out of the office discussion with you. I'd appreciate if you could let me know if you are able to do so. Wayne Duvenage. OUTA.

[2023/11/16, 19:56:50] Reginald Demana: Good evening Wayne

[2023/11/19, 05:36:08] Wayne Duvenage: Hi Reginald. I have a meeting in Menlyn on Wednesday at 10:00. If it suits you, we could meet for breakfast at a discrete venue of your choice in that area, any time between 07:00 and 09:30. Please let me know if that suits you? Regards.

[2023/11/29, 06:13:58] Wayne Duvenage: Hi Reginald. Thanks for your time taken to listen on Monday. Id like to mail you the two slides I spoke about w.r.t. the ETC tender and the numbers that were presented by Sanral in 2014. Should I use your Sanral e-mail address, or do you want me to send these to your private email address?

Two handwritten signatures are visible at the bottom right of the page. The first is a large, stylized signature that appears to be 'D' or 'W'. The second is a smaller, more cursive signature.

[2023/11/29, 06:40:04] Reginald Demana: Thank you Wayne, also appreciate the time.
Please use the SANRAL email.

[2024/04/11, 07:45:50] Wayne Duvenage: Nice interview on 702 this morning. Now to resolve the final issue of thousands of legal summonses issued by Sanral between 2016 and 2019. These have been hanging in limbo for the past 5-Years. We have written to your office / lawyers to ask how Sanral would like to proceed on these matters. Regards. Wayne

[2024/04/11, 07:52:21] Reginald Demana: Good morning
I guess now that we are here we can start to engage on way forward

[2024/04/11, 07:53:17] Wayne Duvenage: Yes. Happy to do so. You let us know when you would like to meet.

[2024/04/11, 07:57:24] Reginald Demana: Please forward the letters or email to my office
Ngobenis@sanral.co.za

[2024/04/11, 08:31:20] Wayne Duvenage: Will do. Thanks

[2024/04/11, 08:41:48] Wayne Duvenage: Done. The letter has been forwarded to your email address as requested, from our Andrea van Heerden.

[2024/04/22, 21:19:39] Wayne Duvenage: Good day Reginald.
I'm just following up to see if you received the copy of our letter sent to your lawyers, regarding the open legal cases of summons against thousands of motorists?
Regards
Wayne

[2024/04/23, 06:38:47] Reginald Demana: Good morning I did
I will check with our legal team, we asked them to respond

[2024/04/23, 17:25:30] Wayne Duvenage: Thanks Reginald, we shall await the feedback from your legal team then.

On the matter of two PAIA applications, we still await (now long overdue) feedback on:

- (1) theAQUA Transport tender that was awarded (wherein we seek transparency of the tender details to ensure that due process and best fit for award was followed).
- (2) The Nerdware contract and tender information.

This lack of feedback and transparency is making it difficult for us to reset a relationship with SANRAL. We really do believe we can get so many issues and concerns we have out of the way, if only we could engage directly with you and your management team on specific matters that are very understandable from a civil society perspective.

[2024/04/23, 17:28:24] Reginald Demana: Noted thanks
Will revert
