2 1

BACKGROUND

7. The employment contracts of SETA Chief Executive Officers expired on 31 March 2025 and were subsequently extended in terms of Regulation 16(1)(c) of the SETA Standard Constitution for a further six months period which ended on 30 September 2025.
8. Section 13B (1) of the Skills Development Act, 1998 (Act No. 97 of 1998), as amended (the Act), provides that the members of the Accounting Authority must within six (6) months of their appointment, after following a transparent process, recommend in writing three qualified, experienced and suitable candidates with knowledge in accounting, finance and senior management matters for appointment as Chief Executive Officers by the Minister. Section 13B (2) of the Act states that the Minister must appoint one of the persons contemplated in subsection 1 as Chief Executive Officer of the SETA in question.
9. Sub-regulation (8) provides that a Chief Executive Officer may be recommended by the respective SETA in terms of sub-regulation 6 for appointment by the Minister for a further term of office subject to satisfactory performance.

DISCUSSION

10. Following the appointment of the new Accounting Authorities on 30 September 2025, and prior to the expiry of the six-month transitional contracts of the SETA Chief Executive Officers on the same day, the newly appointed Accounting Authorities were directed to urgently convene meetings to:
 - 10.1. Identify three suitable candidates from the executive management team and submit recommendations for the Minister's consideration and the appointment of Acting Chief Executive Officers; or
 - 10.2. Commence with the recruitment and selection process for the appointment of Chief Executive Officers in terms of section 13B(1) of the Act; or
 - 10.3. Submit recommendations, in terms of regulations 2(6) and (8) of the Conditions of Service and Appointment of the CEO of a SETA, for the reappointment of the incumbent Chief Executive Officers for a further five-year fixed term ending on 31 March 2030.
11. SETAs that intended to recommend Chief Executive Officers for a further five-year fixed term appointment ending on 31 March 2030 were directed to ensure that in their recommendation they indicate the satisfactory performance by submitting reports on the entity's performance (three financial years performance reports addressing the APP targets) and the entity's governance (three financial year progress in improving the audit findings or three-year audit findings by the AGSA).
12. All recommendations, either for acting appointment or reappointment for a further term of office would require the SETAs to submit three names of recommended candidates for the Minister's consideration and decision making. While it might not be legally sound to consider three names in instances whereby a recommendation is

submitted for reappointment of the outgoing CEO for a further term of office given that that such recommendation must be based on the satisfactory performance of the same incumbent as the CEO and it would be inappropriate to compare the incumbent with the other two internal candidates in the list, submitting a list of three names will assist the Minister to take any decision as deemed necessary including a decision of appointing an acting CEO should the Minister decide not to approve a recommendation to reappoint the a CEO for a further term of office. Therefore, submission of three names is intended to ensure a seamless process and provide the Minister with options necessary for decision making.

13. On the **appointment of SETA CEOs for a further five-year fixed term**, FASSET, CHIETA, INSETA, MICTSETA, FP&MSETA, W&RSETA and MQA submitted recommendations with a list of three candidates. Each SETA recommendation was accompanied by a brief summary of candidates' profiles, Board resolutions, three reports on performance and three audit reports on governance.
14. On the **appointment of acting SETA CEOs for a six (6) months fixed term**, BANKSETA, CATHSSETA, ETDPSSETA, EWSETA, FOODBEV, AgriSETA, SASSETA and PSETA submitted recommendation of three candidates. Each SETA recommendation was accompanied by candidates' profiles / CVs and the Board resolution.
15. Considering the sub-regulation 8 that provides that the SETA CEO may be recommended by the respective SETA in terms of sub-regulation 6 for appointment by the Minister for a further term of office subject to satisfactory performance and taking into consideration the Skills Development Act which provides that the AA must submit three names of suitable candidates for consideration by the Minister, the Skills Development Branch obtained legal opinions from the Chief Directorate: Legal and Legislative Service regarding the interpretation and application of the cited Regulations and Section 13B of the Act. Copies of legal opinions are attached (**Annexure P**) for ease of reference.
16. When deciding, the below extract from the legal opinion provides guidance on how the appointment process must be executed:

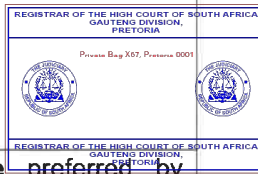

"...outgoing CEOs may lawfully be recommended for reappointment to a new fixed term by the AA based on satisfactory performance, subject to the Minister's approval. However, they may not be recommended or appointed as Acting CEOs because, upon expiry of their contracts, they are no longer employees of the SETAs. The Minister must appoint an Acting CEO from among the current executive management employees submitted by the AA. Outgoing CEOs cannot be regarded as employees beyond 30 September 2025 and therefore cannot be recommended in that capacity. Any recommendation that includes outgoing CEOs for acting positions should be regarded as irregular and beyond the legal framework."

17. While the legal opinion correctly emphasizes that outgoing CEOs cease to be employees upon the expiry of their contracts and may therefore not be considered

for acting appointments beyond 30 September 2025, it appears to adopt a narrow interpretation that does not fully account for the fact that the some Accounting Authorities submitted their recommendations prior to the expiry of the transitional fixed-term contracts. Consequently, the recommendation process was validly and lawfully executed within the parameters of regulations 2(6) and (8) of the Conditions of Service and Appointment of the CEO of a SETA. The limitation raised in the legal opinion therefore pertains primarily to the effective timing of the Minister's approval rather than to the validity of the recommendations themselves.

18. As guided by the legal opinion, it is recommended that the Minister appoints the following candidates for a further five-year fixed term as advised by the legal opinion, namely:

CANDIDATES RECOMMENDED FOR A FURTHER FIVE-YEAR FIXED TERM OF OFFICE		
SETA Name	Recommended Candidates	Recommendation
CHIETA	<ol style="list-style-type: none"> 1. Mr Yershen Pillay 2. Ms Kedibone Moroane-Nkhobo 3. 19. The recommendation of the above candidates is based on regulations 2(6) and (8) of the Conditions of Service and Appointment of the CEO of a SETA and takes into consideration the candidates' satisfactory performance as demonstrated by the entities' performance against APP and SLA targets, and the progress in improving audit outcomes.

20. If the Minister approves the appointment of the above candidates, draft letters have been prepared to notify the Interim SETA Chairpersons regarding approval of CEOs appointments. After approval, another letter will be dispatched to notify the Presidency about the same (**Annexures S&T**).
21. Given the legal opinion (extract) cited above regarding the appointment of Acting Chief Executive Officers, it is recommended that the Minister may identify and appoint suitable candidates for each SETA from among the three names of current executive management members submitted by the respective Accounting Authorities, for appointment as Acting CEOs for a fixed term period ending on 31 March 2026 or until the appointment of the new SETA CEOs, whichever occurs first.
22. Considering the legal opinion which states that:

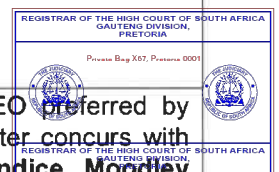

“The Minister must appoint an Acting CEO from among the current executive management employees submitted by the AA. Outgoing CEOs cannot be regarded as employees beyond 30 September 2025 and therefore cannot be recommended in that capacity. Any recommendation that includes outgoing CEOs for acting positions should be regarded as irregular and beyond the legal framework”,
