Good Morning Sarah,

Thank you for your understanding, but I please request that you check with your general manager for half rate charges, because I do the same with other hotels.

I really hope you can assist in this regard.

Kind regards,

Ashu

Good morning Ashu,

Thank you and it was great speaking to you on the phone.

I would be delighted to assist you in this, however we won't be able to provide half day charges. I could offer you a late check/out until 20:00 (normally 18:00), however as it is after midnight we would need to charge the full amount.

Please let me know if you would like to proceed.

Kind regards,

Sarah Ben Haouem

As discussed telephonically Mr Gupta and Mr Essa extended flight for tomorrow morning at 4.40 EK761 so they will check out hotel at 02.00 in the morning. If you can assist with the half day charges for both the suites will be highly appreciated.

Thanks

Subject: feedback from CDB

Dear Anoj:

Happy new year! Hope you have a good Christmas and New Year's Day holiday.

According to our meeting in South Africa in last late November, we made application to CDB head office for repricing short-term facility. After its careful study, new price is 6 month Libor + 167 bps (or 3 month Libor + 189 bps). This is best price obtained through our greatest efforts.

Please be noted that problems around Eskom's plants still exist and continuing deterioration of South African economic situation attracts wide attention. Members of CDB's credit committee expressed more concern about this, so we have to put more efforts on long-term facility.

With respect to the new price authorized by CDB's credit committee, please make response as soon as possible. If you agree with it, please work on sovereign guarantee.
